VALUES OF PLANT

Please detail the Current Market (CMV) and New Replacement (NRV) Values of your Owned Plant and the estimated ANNUAL Hiring Charges to be paid, for each type of plant.

<u>Type Of Plant</u>	<u>Owned Plant (CMV)</u>	<u>Owned Plant (NRV)</u>	<u>Hired-In Plant (Charges)</u>
1. Cranes Mobile Tower	£ £	£ £	£ £
2. Self-Propelled Plant (e.g. excavators, forklifts, dump trucks etc.)	£	£	£
3. Mechanical Plant (e.g. compressors, generators, breakers etc.)	£	£	£
4. Portable Hand Tools (e.g. drills, Stihl saws and other items of plant able to be carried by one person)	£	£	£
5. Non – Mechanical Plant (e.g. scaffolding, portacabins etc.)	£	£	£
6. Other items of Plant, including Trailers (please specify separately.)	£	£	£
7. Laser & surveying equipment	£	£	£
Totals	£	£	£

A plant inventory must be included for all owned items except category 4. If any section is left blank than that category of plant will be excluded. We must therefore be informed immediately if any item is purchased for an excluded category in order for cover to be extended.

Attachments : Please ensure that all attachments are included within the values of the appropriate plant type. If not included, they will not be covered under the insurance policy.

Plant Security : Please provide full details of plant fitted with any security devices and/or member of any plant registration schemes i.e. CESAR, TER on in the security box on the Own Plant Schedule. This allows Insurers to give improved terms, including reduced premiums and nil excesses.
